BASL Wet Weather Protocols

Junior Competitions (Non-Competitive)

BASL Administration will only call off Under 6 to Under 11 matches on Friday or Saturday morning if weather is seen as unsuitable for play due to constant and forecast bad weather or council ground closure.

If matches are cancelled, notification will be made on the BASL website, BASL Facebook page and an email sent to Club Representatives.

Priority is via BASL website & Facebook Page.

BASL Wet Weather Protocols

Senior & Junior Competitive Competition

Only the Referee appointed to the match, or the local Council can call off a competitive fixture and will do so where they believe the pitch is unplayable and/or unsafe to play on.

Local Council may close a ground during the week for a specified period or after an inspection with League and Council Officials, in which case teams, coaches, and players will be notified on the day the decision is made.

If no notification has been given teams, coaches, and players will have to attend the designated match as per scheduled and wait for Referee's decision.

Competitive games cancelled due to weather or pitch conditions will have their game rescheduled to a later date, noting this may not be a normal scheduled game day.
